Dear Judge Stein,

I am the Boston Globe reporter who wrote last week. I just finished reviewing all of the case files, which I requested from the archives, for America Dream Inc. v. Trump et al (01:95-cv-00625). In the interest of expediency, I wanted to provide what seems to be the files you put under seal - and the files I would like to request be unsealed. The docket numbers for those files are:

- #18 Memorandum of law
- #19 Affidavit of George Hourany
- #35 Affidavit of George Hourany
- #46 Reply Memorandum

There are seven instances where the case file notes that sealed documents were placed in the vault. Docket numbers 25, 34, 41, 48, 53, 67, and 68. Again, if there is anything else I can do or provide, please let me know.

The case was settled nearly two decades ago, and the defendant is now a top presidential candidate. It is in the public's interest to learn as much as possible about him.

Thanks again,

Mr. H. Visser
